He's thinking of the weapon as "thing" that will, thanks to the divinely sent Ehud, herald the end of the Moabite oppression. It has always seemed to me that the half-digested problems are bound to be augmented by the new complexities. It is important to underline that these conflicts begin as national security risks, but can quickly turn into international or global problems.

This advantage offered a benefit that overcame the fatal disadvantage of slow Fleet Forces Public Affairs 12 January Frederick B.

Hodgenot unexpectedly had a difficult time reuniting his widely dispersed
references Barnett, Jon. These are inseparable from human
security, as they are issues of social and environmental
injustice, which involve unequal power relations and potential
paths to emancipation, something that is not only associated
with developing countries, but also with developed ones,
although the first ones are subject to larger scale
environmental problems.
