They did behave beautifully, but I do not know what they said, as I spoke no Spanish. Many near-future SF fiction fail to achieve even a contemporary feel; many authors aim for 10 years in the future, but with the lack of smartphones and video and apps, wind up achieving a feel 10 years in the past. Today, however, he was subdued which was not surprising as he had broken a card. It turns out that's very common. The Agency conducted separate projects involving drug testing, behavior modification, and secret administration of mind-altering chemicals at 80 US and Canadian universities, hospitals, research foundations, and prisons.

Blonde writing as: Dar Adal Short, Thriller, Psychological Thriller - Achronology, Dr. RP1 takes the latter tack, but it at least executes
