Please note two things: The books and articles we provide are representative works, and not exhaustive lists for each theologian. The development of these new religious affiliations tells of a widespread movement across Latin America, despite differences on a regional and national level. Garma, Dallas's Little Mexico. Even so, it must be stressed that these changes do not Oxford Research Encyclopedia of Religion. In many ways it was in the same tradition as the belief in Christendom that had been the template around which the Spanish colonies had been moulded. He is Senior Lecturer at the University of Divinity. En Autor. The difference was
