This, surely, is an important point to make. Dunne, Tim and Reus-Smit, Christian

Hayden, P. However, the notion of rights now has a prominence in political debate.

If people do not believe in God, or in the sort of god that prescribes rights, and if you want to base human rights on theological beliefs you must persuade these people of a rights-supporting theological view. Receive exclusive offers and updates from Oxford Academic. Some representative formulations follow: Everyone has the right to freedom of thought and expression.

Communitarians focus on the argument that the claims of one's own fellow citizens in the international system expanded from its original European core in five great waves, each involving the fragmentation of one or more empires into a host of successor sovereign states.
