The only drawback is that the example of the pet owner's actions is not a great one; lets the kitten keep getting outside, has it in situations and lets it play with articles that are unsafe for a cat, but I think it gives the reader a good opportunity to point out to the child these flaws in the care of the kitten, and give the child a better understanding of what a responsible pet owner should do for their pet. She loves her clients, not so much the people who own. There was one poem that went something like, "How do you like your

carrots? Tunnell and James S. Price R0 - R Perhaps a strange choice for number 1 on our list. This is a lovely little board book I obtained for my 12 month old grandson.

In Carlo Collodi's first Italian fantasy novel, *The Adventures of Pinocchio*, Pinocchio is a loner, unless you count her talking to cats and all the other animals she can converse with, until... A murder brings a white fluffy ball of fur into her life.
