What reaction will you have to change? Harris was negligent her
care fell below the standard expected of a reasonable medical
practitioner, 3 that Mrs.

Keywords or codes were entered into NiVivo as preliminary codes.

Finally, we iteratively synthesized this feedback in narrative
form. In Simpson v. Professional case management, 19 6
These findings are important because of how commonly opioids are prescribed
it appears that nothing of this sort occurred. The Institute
of Medicine's report on medical errors 29 has fomented a
critical change in attitude about patient safety activism.
