You may be missing important programming and your flow mode. In the weeks following that close and uncomfortable encounter with my own executive persona, I did a lot of thinking. In such a predicament you would, I fancy, be inclined to think that you were faced with as tough an assignment as any you had ever undertaken or were ever likely to in the future. Some of it reflects the values at the time that the accounts were rewritten. Of these preparations I shall have to tell in the next chapter. Despite all efforts to get it ready in time, so late had this equipment been taken in hand that only a part of our needs, that urgently required for the training period, could be ready by about February 20th. Just walking across campus in uniform to attend military drills drew unwanted attention. This is much better in this regard. Neither B.
