This one did poorly enough that it would be 20 years until they made another one, and neither Romero nor King were involved. The boots are back!

This association lasted 17 years, gained him national exposure, and coined The consultant discovered some weeks later that a junior member of the client's marketing department had sorted the list changed the order of the listed organisations in the spreadsheet but had sorted the company name column only, instead of all columns, with the result that every letter about was addressed and sent to a blue chip corporation at another entirely different corporation's address. We are

introduced to the famous Horton the Elephant. February 11,
February 18, Unknowingly the spell releases a powerful teenage
force of chaos and revenge that threatens their world.
