This was despite the fact that ancient Romans imported Han Chinese silk, [ ]

Christopher Atwood has suggested that the reason for the original Hunnic incursion into Europe may have been to establish an outlet to the Black Sea for the Sogdian merchants under their rule, who were involved in the trade along the Silk Road to China. Glad, Damien The patrician exerted the superior ascendant of authority and reason, to calm the passions which the son of Theodoric considered as a duty; represented, with seeming affection, and real truth, the dangers of absence and delay; and persuaded Torismond to disappoint, by his speedy return, the ambitious designs of his brothers, who might occupy the throne and treasures of Toulouse.

This article helps make sense of this long conflict. Borders of the Roman Empire

we now review the embassy of Maximin, and the behaviour of Attila, we must applaud the Barbarian, who respected the laws of hospitality, and generously entertained and dismissed the minister of a prince who had conspired against his life.
