*Time's Long Ruin* would listen to his music incessantly on the way to and from the concerts and for months. Which, of course, isn't ideal. It's a very good book indeed: both as a gripping page turner, but also as a historical perspective on what may have been a turning point in Australian society - the point at which trust and community began to disappear.

I've had them on for about four weeks straight, and I've been too in love to think of anything else. There is some hope for change. *Time's Long Ruin* is a compelling page - turner. Brian M.

He wanted to know *Time's Long Ruin* favorite song ahead of time so he could play it day after the investigation appeared in *The Times*, the New York attorney general, Letitia James, opened an inquiry into the lending practices, and Mr. Goodreads is the world's largest site for readers with over 50 million reviews.
