Walt Whitman on What Makes Life Worth Living - Brain Pickings
the poet Mary Oliver asked in her sublime meditation on living with maximal aliveness. As nature nursed him back to life in her embrace, Whitman found himself reflecting on the letters, and journal entries that gave us Whitman on the wisdom of trees and music as the profoundest expression of nature.

When one does come forth from the cave, a spiritual coming-out-of-the-closet, then one can, theoretically, be released from the anxiety of suffering. I have always strived to maintain a journal or diary. Yet by staying the same person, there is no release, and nothing new can happen for one so experienced: there is no life left to live for somebody who has lost all categorical desire.

There is substance in what Sri Aurobindo had observed in that there is room for
It would be wrong, however, to conclude that life is meaningless. I dabbled in several poems and succeeded in publishing them in Hindi newspapers and magazines.
