The Metzler Violin Shop has been serving players of bowed string instruments in the Los Angeles area since They provide supplementary materials which can be used with any standard string method.

This book is good for teaching note reading and for the first metronome effort. Tracking info is provided upon request. Lots of charming melodies and interplay between the instruments make them a great practice-ground for chamber-playing as well!
BrandNewBook.Javascript is not enabled in your browser. It has all the different keys and also explanations of what the piece can teach on the top of each page.
