However, many of the techniques we address in this paper raise serious concerns—over privacy, discrimination, manipulation, and lack of transparency. NCC Media. Public Choice 1—LetterfromMarceE. Although political media flood the airwaves only during election years, Americans think about the sheer number of people reached by these political messages and assume high levels of persuasion from the high visibility of media. As a result, the number of people who are available as possible targets of persuasion is relatively small.
