The outbreak of violence in Colombia in the later 20 th century brought guerrillas, drug traffickers and paramilitaries, endowing the wild myth with new barbarities. It's so isolated that the police consider it too much of a hike for the guerrillas, and therefore safe for foreigners. Its location on the isthmus that forms the land bridge connecting North and South America has been militarily strategic through history.

There are two kinds of buses in Panama: the ones you find on the highway, and "ci
Thereupon violence broke out with a swiftness that astonished
Washington. Presidential and Assembly elections are to be held
in May, and no candidate would stand a chance if he took
anything but a nationalistic approach to the Canal Zone issue.
The expansionist mentality of the early s had given way to the
chess-board strategising of the Cold War.
Candanedo couldn't be certain about this, because satellite imaging usually
native of Detroit, Runk has spent much of the past seven years
studying historical ecology in the Gap and living with the
Wounaan, an indigenous tribe that dwells along its rivers.
