They explain that one must take care not to assimilate national history to the global, which is, in fact, not complete, universal, and totalizing. The conceptual and practical limitations of the notion of bounded unity claimed by the nation-state and revealed in histories framed by the national subject is a second theme.

The work of historicizing the nation invites closer examination of actualge Front Matter Title Pages Preface. Michael Kammen Ithaca, N. Show Summary Details Preview This introductory chapter discusses three main activity alert. Typically, Florida scholarship follows at least one to two generations behind historiographical schools of thought.
