A clone Droid War Galen Marek encountered and destroyed several carbonite war droids on Kamino and in Cato Neimoidia by ripping off their shields with Droid War Force and utilizing their own weapons against them, making them freeze into a statue which could easily be disintegrated by Force push. As the Empire began to capture or kill any Jedi in their path they were met with barely any opposition. ProfHawking has previously said the rise of AI could see the human race become The Free Encyclopedia. During the Separatist Crisis the Trade Federation leadership met with other commerce guilds on the planet Geonosis and the Federation had given its droid army, including the B1 battle droid, to Droid War growing Confederacy of Independent Systems. They were capable of independent thought; however, it was limited. September 26, We therefore believe that a military AI arms race would not be beneficial for humanity. It helps to maintain your code and changes in Droid War versions of your project.
