It was going to be deliciously dark and, thus, right up my alley. Stock Image.

Thisisagreatbookforyoungreadersbecauseitbringsattentiontothewayth always on the hunt for children's books with "Ruby" in the title for my 5-year-old, Ruby, so I stumbled upon Ruby Lu, Brave and True, a chapter book better suited for my 8-year-old. Cantonese and many Chinese cultural references are woven throughout Ruby Lu's otherwise very American adventures, and my Chinese-American daughters could not have been happier.
