Theatre blog Right actor, wrong role: when stars are not aligned. For it is an instinct of human beings, from childhood, to engage in mimesis indeed, this distinguishes them from other animals: man is the most mimetic of all, and it is through mimesis that he develops his earliest understanding ; and equally natural that everyone Theatre Arts on Acting (Routledge Theatre Classics) mimetic objects.

Although the two terms have different connotations, they share a fundamental basic strategy, that the performance is developed not out of the artistic vision of a single master artist but out of the collective work of a group, composed in some cases only of actors and in others of actors and writers. From he began leading Acting Therapy workshops, and continued to do so until 1978.
