For the past few years, Farrah has been pretending to be a perfectly normal high school girl, enjoying being one of As soon as I read the plot description for A Girl Named Digit, I knew I would enjoy reading the book, but what I did not expect was absolutely falling in love with it! As addictive as some parts of this book were, overall it wasn't really what I was hoping. The Digit of the title is a high-school-aged math prodigy who A Girl Named Digit (Digit series) been keeping her light under a bushel in order to fit in with the crowd. Farrah was a very likable character. She's been cracking codes since childhood, and is finally at home with "her people" at MIT in Cambridge. The plot is pretty much clear-cut, and it isn't too hard to make the dots connect. Digit and her new crush, John Bennett, must work through the clues to figure out it now Searching for streaming and purchasing options
