But it may be precisely why China soared. Many critics focus on the weaknesses of the Chinese system – the emphasis on tests and memorization, the political constraints, the discrimination against rural students.

But in the late 1980s, the sneaker factory he managed in central Taiwan was having trouble. Casas i Klett, Tomas et al. The students and researchers attending the Academic Symposium of Middle-Aged and Young Economists wanted to unleash market forces but worried about crashing the economy – and alarming the party bureaucrats and ideologues who controlled it. There, in the bamboo forests of Moganshan, the young scholars grappled with a pressing question: How could China catch up with the West? In city couples who both came from one-child families were allowed to have a second child. President Xi Jinping pushing a more assertive agenda overseas and tightening controls at home, the Trump administration has launched a trade war and is gearing up for what could be a new Cold War.
