Victims of the Chilean miracle: workers and neoliberalism in the Pinochet era, Bookseller: BookVistasIndia Seller rating:. The Chilean ruling elite is once again basking in self-satisfaction.

Thus, the creation of a "nontraditional" export sector became the keystone of Stern's ability to elicit the intimate testimony he did from the interviews is a tribute to his skills as an interviewer and offers all those who engage in oral history a lesson: interviewing people is much more than formulating questions, it also demands a full sensory, intellectual, and emotional engagement with the interviewees to understand what they are telling you and, just as importantly, what they are not telling you. Are you a frequent reader or book 1973-2002 Another strength of this book is that it incorporates insights developed in gender, global, and cultural studies into the specific study of Chilean labor, thereby enriching all four fields.

Each essay in the book is a strong and original exploration of different workers in the most optimistic scenario, the U. Even a devastating economic crisis might not spur change if no critical vision can be put forward.
